## BIRTHDAY CALENDAR DRIVE PLANNED BY BETHEL FIRE DEPT.

Members of the Bethel Volunteer Fire Department will be knocking at doors around town to tell people about the publication of their first year community birthday calendar.

The birthday calendar will list schedules of different activities, meeting dates of organizations in town and names, birthdays and anniversaries of Greater Bethel residents.

Fire Department volunteers are forming into various committees for gathering necessary information about clubs, churches, personal dates and contacting local merchants for advertisements.

Chief Carver said the birthday calendar idea is a good one and the Department hopes to make this campaign interesting and successful so that it can be adopted and continued on a yearly basis.

If by chance you are overlooked, make sure to call Chief Carver or any one of the volunteers to get your birthday and/or anniversary on the calendar.

A free calendar will be sent to members of your family in the service if his/her address is enclosed.

## MARCH IS RED CROSS MONTH

The Red Cross helps in many ways a few of the services are—blood donation programs, helping to collect nearly half of the nation's blood supply. Recent developments show that blood from voluntary donors is the safest available. Rehabilitation programs for drug addicts. Red Cross is responsible for disaster relief programs. Recent examples are aid to victims of the destructive earthquakes in Peru and the cyclone that hit Pakistan.

Because of its unique character the Red Cross can generally cross national boundaries even in times of conflict and help. Help in locating servicemen and getting them home in time of family crisis, etc. Teaching our local youngsters how to swim safely and teaching first aid.

Volunteers will be soliciting the next two weeks—hoping for general contributions—people helping people.

Volunteers: Mrs. Phillip Chadwick, Mrs. E. Brown, Mrs. B. Benson, Mrs. E. Vachon, Mrs. E. Egan, Mrs. G. Scribner, Mrs. B. Egan, Mrs. David Thompson, Mrs. L. Egan, Mrs. Valentine, Mrs. A. Lee, Mrs. Charles Keoskie, Mrs. F. Berge, Mrs. A. Grover, Mrs. R. Stearns, Mrs. F. Vogt, Mrs. M. Wheel-

## COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The annual town meeting will start at 10 a. m., Monday, March 6, at the Fire Station. Election of a moderator is the first article to be disposed of. After that election of officers will take place until 6 p. m. The meeting will then adjourn until 8:00 p. m. when it will reconvene in the auditorium at Telstar Regional High School.

There are two items in the warrant that may be considered other than routine. One is to see if the town will authorize the Selectmen to borrow money to purchase highway equipment. The other is to see if the town will vote to establish a temporary user fee for sewers. The former item results mainly from the large sum needed to purchase a loader. The latter is in lieu of other requests that would be needed to maintain sewers and to establish a fund that must be provided for costs incurred operating the new sewage disposal plant until it becomes revenue producing.

## LOWER MAIN ST. LANDMARK DESTROYED IN EARLY-MORNING FIRE ON TUESDAY

An early morning fire on Tuesday of this week destroyed the two and a half story structure on Bethel's lower Main Street adjacent to the railroad tracks. Also lost were possessions of the Children's Dance Theater operated by Susan Farrar, who had started using the premises on Monday of this week.

Lately the site of the Hearstone House, a furniture store, the century-old building had in earlier years been the location of a grain store, and later Charles E. Merrill operated a retail lumber business at the location. Davis Building Supply occupied the quarters immediately preceding the furniture store.

Above are two views of the destroyed building. One showing the ruins from the Main Street side, and the other the proximity of the oil storage tanks.

The Bethel Fire Department responded to an alarm sounded at 1:10 a. m. and an hour later the fast-moving fire had virtually destroyed the structure. It was reported that the blaze was discovered by the driver of a Nissen baking company truck who sounded his horn alerting the neighborhood to the fire. Loss has reportedly been estimated at \$12,000.

Oil storage tanks of Lake Oil Co. located about 50 feet to the rear of the building were a source of concern for sometime because of danger incurred by the fire's intense heat.

## GREENWOOD CITY

— Mrs. Collette Morgan, Corres. —  
When our big storm-tossed died away and I looked at the hushed forests towering above one another on the slopes of the hills, I set out on snowshoes. As I gazed, the so-called ruin of the storm was forgotten.

The snow was soft and fluffy, deep, too, with no crunch today and the traveling was not too easy. However, I crossed the Sanborn River and entered the forest where some of the big trees pressed close together in beautiful lines, showing their grandeur from the ground to their domed heads in the sky. In one clump two outer white birches bent in arches to the ground while seven between stood soldier-erect.

I at first had no special destination and the outside world seemed to fade away.

As I dipped down to cross a brook I heard it singing with solemn enthusiasm. Just beyond stood an ancient boulder. How restfully cool it was here as I sat on a log by its side and how delightful the water music.

The sun looked cheerily down the openings in the forest roof gliding past the boulder and glinting on the snow. The shadow beauty multiplied as it moved softly as if afraid of noise. Now I decided to follow the ridge which made gradual ascent to the south until I came to the cliff I promised myself last fall I'd visit. I made a series of zigzags among trees loaded with fluffy-white and which shimmered with indescribable loveliness. Occasionally snow flowers came down glinting, swaying, and settling silently on me so soft and downy.

Directly ahead now a tall pine stood against the blue-white of the sky while sun bathed it in gold from the low snowy green to the topmost needles.

The breezes whispered low and I stood to enjoy this untrodden wilderness. With my cliff still ahead and I knew not how far, I went on. I came to a place where I could look through easily to the pond beyond so I knew I had finally arrived. Two hours had vanished which didn't seem possible.

An aged birch, standing a little forward with knotty arms outspread was covered with gray lichens. It was surrounded by young growth.

I could look down on the pond, the valley and the trees below. Looking up from this summit rock I saw a growth of clouds and I could hear the wind beginning to rise. Everything seemed radiant with freshness.

I took a few pictures and retraced my steps toward home leaving my first general view from the cliff to its solitude of snow and rocks lonely and mysterious.

It was much easier returning and in spite of the falling snow shaken from the trees by the wind I enjoyed it fully.

Recrossing my brook, curling and twisting in its hidden channel I paused only a moment to hear the catclaw laughing and the chickadees call then I continued. Now I crossed again the wind sculptured granite pond while around it the mountains slept.

Mr. and Mrs. Nelson Cartright entertained their son, Todd, and his family at their Fire Station cottage over the week end.

## CUB SCOUTING

We're underway!

At a meeting held this past Monday evening the planning committee assigned the boys to various Dens. The following is a listing of these assignments plus other information:

Den #1: Den Mother: Mrs. Beverly Corriveau. Meeting date: Every Tuesday. Meeting place: Mrs. Corriveau's home in Gilead. Members of the Den: Fernand Corriveau, Roger Corriveau, Jody Shimamura, Timothy Wheeler, Russell Merrill.

Den #2: Den Mother: Mrs. Juanita Korhonen. Meeting date, every Tuesday. Meeting time, when the bus arrives after school. Meeting place, Mrs. Korhonen's home in Newry. Members of the Den: David Korhonen, Alan Korhonen, Edwiel Yates, Alan Fleet, Joe Gnuender, Peter Morton.

Den #3: Den Mother: Mrs. Lorraine Coulombe. Meeting date, every Monday. Meeting time, when the bus arrives after school. Meeting place, Mrs. Coulombe's home on Paradise Hill. Members of the Den: Timmy Kersey, Ken Howari, Brian Blake, Danny Coulombe, Kevin Gould, Robert James, Richard James.

Webelos: Webelos Master, Hugh Chapman. Meeting date, every Monday. Meeting time, directly after school. Meeting place, Methodist Church. Webelos members: Cavenough Kelly, Tony Butters, David Taylor, Doug Wilson, Ken Davis.

The committee agreed that 10 cents dues per meeting would be a fair amount to charge. It is hoped that the parents would allow their boys to "earn" this amount by doing odd jobs around the house or by taking out of allowance money. This money will be used to renew future members plus a subscription to "Boy's Life" magazine.

Although the Dens will be meeting on a weekly basis, the Pack Meetings will be held on the first Monday of each month at 7:00. We will gather at the Methodist Church — that's right, WE — the success of the program depends on a great deal on the support of the parents. The Pack meetings are not only for the kids, but also for the adults. Please make an effort to save Monday evenings for Cub Scouting! Our first Pack Meeting will be in April.

We have two new members to the organization: Mrs. Lorraine Coulombe will act as a Den Mother, and Chester Herrick will join the Committee. Thanks for helping us out!

If you should have some old uniforms around we certainly could make good use of them — give Joe Shimamura a call and he'll pick them up. Thanks a lot!

At this point I don't know it will be possible but somehow we will start work on "Mary Poppins" next week. So don't worry we will work it out. "Carnival of Animals" will be held on Wednesday as planned.

Thanks for your calls and help. My sincere thanks to the fire department for their attempts to save my beautiful new studio.
